

# VIVAL G5 | Protective Inspection Booth

## High-Clarity, Anti-Contamination Body Shield

Helps to protect staff/guard from droplet-based contamination

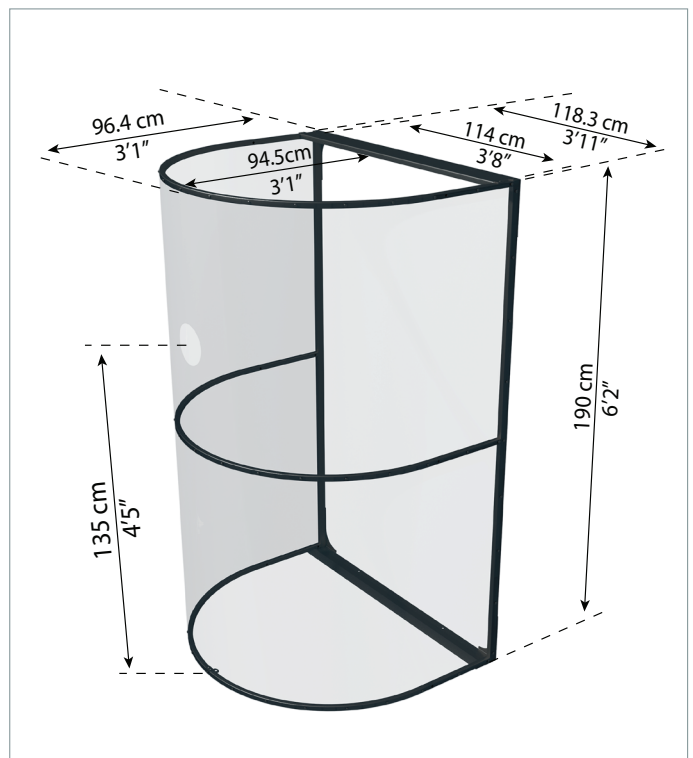

- Protects the whole body, helping to decrease risks of contamination
- Provides dual-sided protection to both visitors and staff/guard
- Left/right hand aperture for temperature and security inspection
- Ensures see-through clarity and a 180° visibility scope
- Optimized space to allow comfortable working environment (can contain a chair / a bar)

- Ideal for entrance of outlets, office & administration buildings
- Ultra-resistant, safe, high-clarity, UV-protected 1.5 mm Polycarbonate
- Easy to sanitize, maintenance-free, rust-resistant aluminum frame
- Can be anchored to secure the booth stability
- Pre-assembled, ready-to-use, durable and long-lasting structure

High clarity shield with frontal aperture
